## 2017 Dodge Grand Caravan Fact Sheet

### New for 2017

- Dodge simplifies the 2017 Grand Caravan lineup from six to four models: Grand Caravan SE, Grand Caravan SE Plus, Grand Caravan SXT and Grand Caravan GT, giving minivan customers the added features they want at a better value
- The streamlined 2017 Grand Caravan model lineup is better aligned with customer demand and preference, making it easier for dealers to order and stock the Grand Caravan that customers are looking for
- All models have a standard 6.5-inch touchscreen radio with ParkView rear backup camera
- Grand Caravan SXT offers all of the standard features as the 2016 Grand Caravan SXT Plus, and adds technology features, such as remote start, security alarm and 6.5-inch touchscreen radio
- Grand Caravan GT includes all of the features of the 2016 R/T model, plus the popular Driver Convenience Group and Navigation, at a better value
- Popular and class-exclusive Blacktop Package standard on Dodge Grand Caravan SE Plus and available on the SXT model
- Standard award-winning 3.6-liter Pentastar V-6 engine delivers 283 horsepower without a penalty at the gas pump, getting up to 25 miles per gallon (mpg)
- More than 55 available safety, security and technology features, including standard front seat-mounted side air bags, a driver-side knee blocker air bag, three-row side-curtain air bags and remote keyless entry
- Dodge Grand Caravan is the best-selling and most awarded minivan ever

August 31, 2016, Auburn Hills, Mich. - The 2017 Dodge Grand Caravan – the best-selling and most awarded minivan ever – continues its tradition of offering customers style, versatility and added features at an outstanding value. Since FCA US LLC invented the minivan segment more than 30 years ago, the innovative Grand Caravan has introduced nearly 80 segment firsts, including ParkView rear backup camera, Stow 'n Place roof rack system and selectable fuel economizer mode. One innovation that continues is the Grand Caravan's industry-exclusive Super Stow 'n Go seating, which can be easily operated with one hand, allowing users to convert from carrying seven to hauling cargo in a matter of seconds. The Grand Caravan is equipped with more than 55 available safety, security and technology features.

### Highlights

- The Grand Caravan SE is the new entry-level model and offers standard features, including remote keyless entry, sunscreen glass, heat and air conditioning in all three rows, third-row Stow 'n Go with available tailgate seating, 6.5-inch touchscreen radio with ParkView rear backup camera, power locks and power windows in all three rows, power heated mirrors, as well as safety features like trailer sway damping, electronic stability control, seven airbags and daytime running lights
- The 2017 Grand Caravan SE Plus is enhanced with the popular Blacktop Appearance Package and continues to feature the popular Plus Package, offering well-liked features at a sizable value, including 17-inch aluminum wheels, leather-wrapped steering wheel and shift knob, second-row Super Stow 'n Go and Uconnect Handsfree Group
- The Grand Caravan SXT offers added content at a great value with standard 17-inch polished wheels with Granite Crystal pockets, automatic headlamps, fog lamps, power eight-way driver seat, power sliding

doors and liftgate and the Stow 'n Place roof rack. The Security Group, which includes security alarm and remote start, is also now standard on the SXT model

- The 2017 Grand Caravan GT is where versatility meets performance and attitude, offering a unique performance suspension, distinctive monochromatic exterior, 17-inch polished aluminum wheels, premium leather interior with red accent stitching, plus amenities like a nine-speaker audio system, 6.5-inch touchscreen radio with navigation, ParkView rear backup camera and remote start. The Driver Convenience Group is also standard on the GT model, and includes features like window shades, three-zone automatic temperature control, heated front and second-row seats, heated steering wheel, Bluetooth streaming audio, overhead storage bins and Uconnect Voice Command
- The Blacktop Package, an exclusive customized blacked-out appearance first introduced in 2014, is now standard on the Grand Caravan SE Plus and continues to be available on SXT models for 2017. The Blacktop Package includes 17-inch polished aluminum wheels with Gloss Black pockets, a Gloss Black grille, black headlamp bezels, an all-black interior, including headliner, door panels and console, unique black seats and door trim panels with silver accent stitching, a leather-wrapped steering wheel with silver accent stitching and a leather shift knob
- Available safety and security features include standard front seat-mounted side air bags, a driver-side knee blocker air bag, three-row side-curtain air bags, electronic stability control (ESC), tire-pressure monitoring, daytime running lights (DRLs) and remote keyless entry. The available Safety Sphere Package of features includes ParkSense rear park assist system, Blind-spot Monitoring and Rear Cross Path detection system

### **Dodge//SRT**

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit [www.stellantis.com](http://www.stellantis.com).
